Hello,

I am writing to you about our next London Network meeting. We will be having our meeting at Lambeth People First. I hope that you will be able to come.

**Please let me know about things you want to talk about so we can put it on the agenda.**

A simple rectangular form with four horizontal lines, each ending in a small square checkbox, intended for listing agenda items.

Please bring any information about parents groups and support so we can put it on our website.
